you!***

Have you or someone you know...

Received help with a Medicare Part D application?

Attended a support group for family caregivers?

Obtained legal assistance to deal with a public housing issue?

Community-based programs serve as a lifeline for older adults, caregivers, grandparents raising grandchildren and individuals with disabilities. State and federal funding for these services must be *preserved and increased*.

Your voice is vital and must be heard! Please join us for the Vermilion County Conversation on Aging.
