CDC Covid-19 Community Levels by County
The CDC has released a Covid-19 Community Levels tool. The puts counties into 3 levels with different recommended precautions.

<table>
<thead>
<tr>
<th>Low</th>
<th>Medium</th>
<th>High</th>
</tr>
</thead>
</table>
| • Stay up to date with COVID-19 vaccines  
• Get tested if you have symptoms | • If you are at high risk for severe illness, talk to your healthcare provider about whether you need to wear a mask and take other precautions  
• Stay up to date with COVID-19 vaccines  
• Get tested if you have symptoms | • Wear a mask indoors in public  
• Stay up to date with COVID-19 vaccines  
• Get tested if you have symptoms  
• Additional precautions may be needed for people at high risk for severe illness |

People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask.
